

# **Ultimate Dashboard Tools 10 for Mac**

## **Progress Circle Chart**

## How to create a progress circle chart?

Select the range which contains Actual value, Color1, and Color2.

Required fields for Ring Chart  
Select the range then click on the RingChart icon

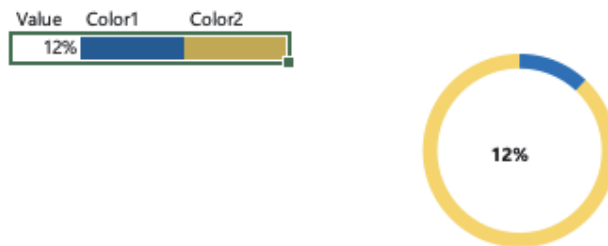

Value	Color1	Color2
12%		

Options:

- ☒ Show values on chart
- ☒ Transparent background

OK

Click on the chart icon on the ribbon to create the chart.

**Tip:** if you want to change the font size or doughnut hole size, right-click on the chart.
